MEMORANDUM FOR: Walter Pforzheimer
OCR Member/DDI Historical Board

SUBJECT: Special Register Historical Study

REFERENCE: Memorandum on Preparation of OCR History dated
10 October 1966

1. Above referenced memorandum requests that OCR components submit the names of persons to write individual division historical studies. The transitional period in which Indexing and Services Division now finds itself, makes it extremely difficult to nominate on-duty personnel for such an assignment, and therefore, the following former Special Register personalities are suggested for this task; none have been contacted:

25X1A

[REDACTED] - Former Chief of Reference Branch/SR;
now in OTR.

25X1A

[REDACTED] - Former senior analyst in the Information
Section; resigned in 1961.

25X1A

[REDACTED] - Former Chief of the Information Section;
resigned in 1961.

25X1A

[REDACTED]

2. The following is a brief description of the records available for writing an SR history:

1961 to date: Extensive division files available

1957 - 1960: Annual and quarterly reports and selected
correspondence

1949 - 1956: Fragmentary

3. Attached is a proposed outline of the SR study.
